

How to change user when logging in to Google Classroom

Google Classroom

You will see these screens if you log in using your own email address.

Can't see any of your existing classes?
[Try another account](#)

Class code

Ask your teacher for the class code, then enter it here.

To sign in with a class code

- Use an authorised account
- Use a class code with 5-7 letters or numbers, and no spaces or symbols

If you have trouble joining the class, go to the [Help Centre article](#)

Click on the circle in the top right-hand corner of the screen (sorry about the photo!)

A drop down box appears giving you the option to choose a different account.

You can also add another account or sign out of your accounts. If you forget your child's password it will need to be reset. To do this email adminoffice@locksheath-jun.hants.sch.uk
